BROOK & ROXIE

The going was good for one lucky chap with these fine young fillies Brook and her pal Roxie. "We had a threesome last night with Rox's boyfriend," explains Brook, 20, from Wiltshire. "We took it in turns to ride him all night long, spurring him on to fuck us harder and make us cum. It was a great finish!"

It was the fuck of the century

My partner Nick and I have been together four years now and have a great sex life. We first met in my local wine bar.

I was out with my mates drinking and dancing and having a great time. Then I noticed Nick. He kept giving me a lovely, stomach-fluttering look so I went up to him and asked if he wanted a drink.

"Yes please, love!" he said. I spent the whole night talking to him in the wine bar and we had a great laugh together.

I looked down to his trousers and saw he had a big hard-on. He kept saying I was so lovely and sexy, touching my leg under the table at the same time.

When I was going home, a bit drunk, he offered to walk back with me to my place. When we got there I asked him in for a drink of tea or coffee and he said yes.

He sat on the settee while I put the kettle on. Then I went into the living room to put some love songs on the hi-fi. I came in with the drinks and sat next to him.

As we talked, he looked into my eyes. He told me I was a lovely, attractive, kind young lady and great fun to be with. He said he fancied me loads and wanted me to be his girl forever.

Then he started to get closer to me, pecking my neck and then snogging me. He put his hand up my skirt and started to rub my juicy wet pussy through my knickers.

I was feeling very relaxed and very horny. I started to undo his trousers and put my hand down his pants. I started rubbing his big hairy cock, which was very stiff.

> "Eventually he groaned and spunked his sticky load all over my quivering, writhing face and body"

Then he got up and picked me up. He carried me to my bedroom and we started to take each other's clothes off. We had real hardcore sex in the shower and on the bed.

He kissed my nipples and my body and then started to suck and lick my wet pussy. Then he fingered me very quickly until I orgasmed and juices dripped down my leg.

Then I got hold of his lovely erect cock and sucked him off for a long time. Eventually he groaned and spunked over my face and body.

When he was hard again he drove his big cock deep inside my pussy. He pumped in and out quickly and we were both screaming like hell and really enjoying it.

In bed we had a 69, did it doggy-style, with me on top, him on top and we were at it for two hours. We both felt happy, relaxed, sexy and very horny.

After we had had sex we cuddled up to each other and fell asleep naked in each other's arms.

We kept seeing each other every day and started to get together properly. Now we are living together and our sex life is still great. He says I am the fuck of the century!

I hope *Razzle* readers enjoy reading this story and looking at my pictures in this great mag. Now we would love to meet a bi-female or a couple for a three or foursome.

I'd love to make passionate love to a woman for the first time while Nick watches and then joins in.

I hope that day comes very soon! Perhaps readers can help!

TRACEY

25-year-old Tracey from Worcester needs you to get into all her nooks and crannies after she's finished the dusting. "It seems to take me ages to finish the housework. Then again, I do it in the nude and can't help touching myself, rubbing my boobs and pleasuring my pussy when it takes my fancy!"

PETRA

"When my husband suggested we try to spice up our sex life, I don't think this is quite what he had in mind!" giggles Petra (26, from Ludlow). "The first he'll know about it is when he picks up his copy of Razzle. I'm hoping the first I'll know about is when I hit the mattress and my ankles are up in the air!"

What's the difference between the G-spot and the remote control? A man will spend time looking for the remote control.

A married couple in financial difficulties agreed for the wife to go out and work as a prostitute. Neither was happy about it, but as they could no longer afford to feed their kids, it was deemed necessary.

The evening they had arranged for her to start working, her husband drove her to the red-light district, then picked her up again at the end of the night.

Her husband asked, "So, darling, how much did you manage to earn today?" His wife smiled, "Well, I was busy! I made a total of one hundred pounds and fifty pence."

The husband frowned, "That's great honey, but who the fuck gave you a measly fifty pence?" The woman looked confused: "Well, all of them of course!"

MILF of the MONTH

LEIGH

MILF of the MONTH

If our mum had had a mate like this when we were young, we would have tried to get adopted by her. In fact we're giving serious consideration to doctoring our birth certificate with a biro and being taken in by this ultimate MILF, Leigh. "I love wrapping my big knockers round young cock!" she grins.

TRUE CON

TWO BUSTY GIRLS GIVE ONE LUCKY BOOB FAN A FREE-FOUR-ALL SEX SHOW!

There's this girl I used to fuck from time-to-time. She wasn't my girlfriend, but I liked shagging her – she just had these great, big knockers, and I couldn't keep my hands off them I hadn't seen her for a year or so, when she got in touch on Facebook and said she'd like to get together. Who was I to say no?

I'd arranged to meet up with Holly and a friend of hers, Anetta. Holly had said that she and Anetta shared their men these days, and was that alright with me? I'd obviously have been crazy to pass up a chance like that! When we all met up in the hotel room, I saw that Anetta's boobs were so big she was almost bursting out of her white linen top, which was stretched to the max. They looked firm and rounded – until the three of us got down to some action, that was; when I took her bra off, those bouncers dropped to dangle halfway down her rib cage!

I couldn't resist sucking on her enormous nipples, each one the size of a small burger! Opening wide, I managed to get one entire aureole into my mouth, and sucked away. As Anetta got more turned-on, her teat became erect and I gently nibbled it, rolling it across my teeth and running my tongue over the tip.

Now Holly was stripping off in front of me, and Anetta had pulled off her skirt – she'd had no knickers on underneath. Together, they undressed me: my belt, my jeans, my boots, and my shirt – it all ended up on the floor, and I wound up naked on the bed.

Both girls looked at my big boner with wide eyes! It was then that Holly broke her news, saying, "Hey, I just got a new job! I'm working with Anetta as an exotic dancer – wanna see us rehearse our routine? We specialise in tit fun!" What guy would say no? So the two trophy-titted minxes danced for me, their colossal cans swinging and bouncing around like crazy. And then I found out why the girls had brought a bulky hold-all with them, when Anetta reached into it to produce a can of squirty cream, which she hosed over her mammoth boobs; they had come to give me a show! I wasn't complaining as she rubbed my face into her squishy chest – I was in heaven and thoroughly enjoying myself!

All of a sudden I was pushed aside, and the girls turned their attention to each other; Holly held up her wobbling mams and pinched her nipples while Anetta

"SHE DRIBBLED OIL OVER HER WOBBLING MAMS"

FESSIONS

dribbled baby oil over them. The oil made her massive tits all slick and glossy, and her nipples stood out, long and suckable. My cock was already rock hard, but the girls were still only just getting warmed up. I was almost ready to shoot my load, but it was blatant that the girls weren't having any of it, so instead I lay back on the bed and began to whack myself off. The girls seemed completely oblivious to my wanking, as they were getting so stuck into each other – not that I minded!

I closed my eyes for a second, and when I looked at them again, Anetta and Holly had two pairs of linked nipple clamps on, which they had clamped between them. Facing each other, they were linked together, tit-to-tit, which, it turns out, is an unbelievably horny sight!

They both leaned back slightly and as the chains connecting them got taut, they leaned back just a little more. Gradually, as they pulled away from each other, their tits lifted up, and the clamps held tight onto their stretching nipples. Further back they went, and a bit further, then, snap!

The clamps fell off and I watched, awestruck, as those two pairs of enormous orbs settled back down into place. I'd never seen a show like this before – my balls were achingly full and it wasn't even over yet!

While Holly went to shower off, Anetta stood over me on the bed. Her wobbly globes looked great from that angle. She pulled the lips of her pussy wide open for me so I could see into the dusky pink recess of her pussy. I reached up to push a couple of fingers into her twat and frig her off. She was sopping wet, and she ground her mound into the palm of my hand to get as much stimulation as possible, the dirty bitch.

After just a little of this, she shuddered and came, her cunt juice trickling out over my fingers. Damn, I was so close to popping my wad! Then Holly was back, but instead of the show continuing, Anetta said she had a date in a couple of hours so would have a quick shower then be off. I felt crestfallen, to be honest – I was having a fantastic time! She kissed me goodbye, with the promise of a repeat performance in the near future, which made her leaving a little less gutting!

Now I was alone with Holly. She grinned at me and whispered, "Are you going to fuck me now, then, or what?" I didn't need any more of any invitation – I got up and grabbed her. I had to have her right now or there was a serious danger of me coming in my pants!

I caressed and kneaded her weighty breasts in my greedy hands, surely the best feeling in the world! Then I was beneath her on the bed, and as she ground her hips down against my dick, her great, dangling dugs slapped against my face, damn near suffocating me! What a way to go though!

I slid my cock up inside Holly's slit and could feel I was already about to come, so I rolled her over onto her back and leaned the top half of her body off the bed. Her tits were there just for me, and as she lay there groaning, I happily sprayed my cream all over them. At last! I don't remember ever spunking such a big, rich load. I drenched her breasts with my seed, then rubbed it all in.

I haven't pulled Holly or Anetta since, but I did go and see their show at the strip club. It was a great performance, but I couldn't help feeling that I'd seen it all before!

TEQUILA SLAPPERS!

The decline of the British pub (one of our favourite things) has coincided with the rise of saucy young girls "pre-loading" with cheap booze at home before tipsily slurping at each other's pussies (another of our favourite things). "This is better than a night in the Dog and Duck!" Jay and Michelle coo.

I got my leg over at sleepover

Happily married for three years, my husband and I have a very 'normal' sex life.

However, what started out as a game led to a sexual awakening in me.

My daughter brought her boyfriend home about six years ago. Bill struck me as a pleasant lad, obviously out of bounds, so I never thought about him in that way.

One day at a barbecue though, he was bemoaning the fact that it was a hot afternoon and that he hadn't brought his shorts.

My daughter told him not to be silly and just strip down to his pants. "Mum won't mind."

I carried on tending the garden but as I did so, I noticed one of my nipples was showing through a gap in my blouse. It was then that I saw Bill had a huge bulge in his pants.

Bill turned crimson with embarrassment, but I got a real kick out of knowing I was turning him on.

Over the coming months, whenever Bill stayed over, I found myself deliberately giving him little flashes of my rude bits.

I would lean forward when offering him a coffee so that he could see straight down my top and once I bent over in front of him in my short nightie.

Often, in return, he would leave the bedroom door ajar and treat me to a quick flash of his penis when I walked past.

Both of us knew what we were doing, but both of us kept up the pretence, as this added to the excitement.

Things escalated when we put Bill up temporarily.

We gave him the sofa-bed in the lounge and I would always get up early to put the kettle on.

As I leaned over to put his coffee down next to him, my breasts flopped out and all at once, 'in his sleep' he threw back the duvet to expose a huge erection.

I looked at his beautifully long penis, with his foreskin pulled back and his heavy, hairy balls swollen and this was too much for me.

> **"My massive breasts flopped out and he exposed a huge erection"**

> “His hips started bucking, then he stiffened and shot his wad in my mouth”

So I slipped my gown open and stroked my clitoris with three fingers.

I had to touch his cock, as I might never get another chance, so I reached out and grasped his shaft.

It was so fat that I couldn’t get my fingers all the way around it.

I leaned forward and touched his purple head with the tip of my tongue.

Bill went on ‘sleeping’, so I drew the rest of his cock into my mouth and rubbed my tongue up and down his length.

His body stiffened and I could hear his breathing quicken, but Bill still didn’t move.

I sucked on his cock and fingered my pussy as I squatted next to him, but I wanted to feel his fingers inside me, so I grabbed his hand and moved it between my legs.

He slipped three fingers straight up inside me and used his thumb on my clitoris.

I used my now-free hand to caress his balls as I wanked him into my mouth with the other. He sighed as my hand tugged faster and faster at his stiff little prick.

His hips started bucking and very soon he stiffened and shot his wad in my mouth.

Believe it or not, this was the first time I’d ever swallowed cum, but I didn’t know where else he could shoot it, so I gulped it all down and came myself as it ran down my throat.

The moment I’d finished cumming, I rushed out of the room all embarrassed and neither of us mentioned it again.

Now I want to be dominated and seduced by another large-breasted lady and possibly her husband. I also want a big juicy cock to surrender to on a secluded beach, all with my husband’s blessing. Drop me a line, do.

Annie, Lincs

JULIA JONES'S MONTHLY REVIEW OF THE BEST SEX TOYS AND KINKIEST BEDROOM AIDS

tease me satin heart riding crop

Still riding high from the *Fifty Shades* revolution, sex toys featured in the bestseller are selling like hot cracks – I mean cakes! This one is top of the crops. With an elegant long handle, this satin heart riding crop will ensure buttocks, breasts and balls receive a good wallop. It has a quality feel to it, with one side made of satin and one of firm leather for two delicious sensations – both of them painful, mind.

Available from www.lovehoney.co.uk for £16.99

tracey cox super sex toner balls

Normally I go for a pair of hairy bollocks the size of Campbell's meatballs. These smooth little spheres (weighing in at a mere 78 grams, fact fans) aren't as tasty in your gob but are far better suited to toning and tightening your pussy. For those who have not yet tried Kegel exercises and balls, these make a good starter kit. You just pop 'em up your chuff and squeeze, release, squeeze, release – before too long you'll have the Jessica Ennis of vaginas. The more you work out, the better you will feel to him and much more importantly you'll be getting gold medals for your own orgasms.

Available from www.lovehoney.co.uk for £18.99

loving joy mitzi clitoral vibrator

This is a super-cute baby pink vibrator, almost too innocent-looking to use. I said almost! It nuzzles in your palm, fits snugly on your clitoris and packs an impressive ten functions of vibes and pulsations that escalate in power. Mitzi is also water resistant so you can sneak her into the shower or bath for extra wet pleasures.

IT'S NOT A FETISH IT'S A WAY OF LIFE
sticks to itself, not to you

This brilliant bondage tape is non-sticky, meaning it binds to itself rather than your skin – great, unless you want to arrive at work on Monday morning looking like you've been attacked by a roll of sellotape. As well as being great for restraint, you can also wrap it around yourself, making a super-kinky Lady Gaga-style outfit! Hours of fun for under a fiver.

VIKING

Sex discrimination laws may mean we can't grab our secretaries' bums any more, but that just makes them blunter if they actually want to be felt up. Like Brooklyn here – when we asked her to do a bit of filing, she stripped off and started sucking on a massive pink dildo, before plunging it into her pussy amongst the desk-tidys. "Oh sorry, I thought you said do some filling!" she chuckled "innocently".

Lucky fucker

Juliet & George

When my boyfriend and I got a place together, I still kept the lease going on the little studio flat I used to live in. It's supposedly my office but – and it's naughty, I know – it's my secret shag-palace, too! It honestly wasn't my intention when I decided to keep it on but in the past six months, I've started using it for regular shag sessions with blokes that I meet up with for sex, behind his back.

I don't keep much of my personal stuff there, and it's a massive turn-on to bring a bloke back to a white-decorated room that's totally bare except for a desk and a bed. It underlines how we're both there purely to fuck. Also, while there's virtually zero chance of an interruption, I sometimes tell the guy my boyfriend could turn up at any second, if I think it'll give him, and the situation, an added thrill.

I'll occasionally even tell some of them I wish he would turn up, or how much of a turn-on it would be to get caught fucking in a really slutty position; doggy style, with my bit on the side banging into me so hard he'd be sweating pints, his balls squashing up against my arse, and we'd be going at it so furiously we couldn't stop even if we wanted to, not until he'd emptied his full nuts into my pussy.

"It would be a turn-on to be caught fucking in a really slutty position"

The other week, I got together with this bloke, George, who I'd met in an internet chatroom. He was from Darlington and down for the week on business, taking an afternoon out of his schedule to fit me in. I have to admit that I do have a tendency to judge chatroom users by their name – and I would never normally go for a George, being the snob I am – but there was something in his personality that got me instantly hooked. I had been at the flat for around 20 minutes when I opened the door to him, he waltzed in and jumped onto the bed, feet up, then told me to pour him a glass of the Scotch he'd brought me as a present. I gave him a look that told him that I thought he was a cheeky git, but I couldn't get past the fact that I seriously wanted him. So, instead I took the bottle into the small kitchenette to grab a couple of glasses.

Just to wind him up I stripped all my clothes off and served him his drink stark naked. He tried to play it cool but saw me watching his crotch, smiling, both of us knowing he had no control over how stiff he was getting. I moved towards him and started to undress him too, peeling off his shirt and trousers as he sipped away at his drink. All the while, this hot wetness was building and swelling up in my fanny, little shocks of pleasure zinging through me. Finally, I got to peel his underpants off and take a look at his cock, and I immediately felt desperate to have him inside me.

He could see the effect he was having on me, and, kissing me passionately on the lips and down my neck, he laid me back on the bed. He was kneeling up next to me, wanking his prick, while I felt up my own naked body – everywhere but my pussy, just for maximum frustration! Now he got in between my thighs, wanking away, but keeping his tip about two inches from my wet hole. Every now and then, he would reach forward and give my clit a little tickle but the instant I responded he would instantly stop.

Next thing I knew, he grabbed a pillow and shoved it under my arse, raising it off the bed. His prick was straining for my cunt, and I needed him even more. I told him I wanted to see him stick it inside me, really slowly. I wanted him to pull back his foreskin and push his bulbous helmet into my juicy hole, then work his entire prick in after it, an inch at a time.

That wasn't quite how it worked out – he gave my nipples a sucking, his stubbly face rough against my tit-flesh, while he touched his tip to my hole, hesitating to make sure I really wanted it, before suddenly ramming in hard, his balls slamming up against my wet pussy lips.

We both let go, fucking each other hungrily and making loads of noise, in the process. He was thrusting in and out, his arse rock hard as I clawed at it. I was moving underneath him, opening

> “He used his helmet to smear his spunk all over my lips and I took the rest over my tits”

around his wet helmet. I gave it a gentle tug then guided it back to my hole, getting him back inside me for a proper fucking. Every thrust in, I’d tighten myself around him, gripping him then relaxing. Still he managed to tease me, pulling out for a fraction of a second before banging in again.

His balls were big and heavy with spunk, swinging and bumping up against my pussy lips. In my position – head and shoulders down, arse up – I could just about reach back between my legs and gently grab them, so I could cup and massage them as he fucked me. Now he just buried his prick deep inside me, so I could rub them against my shaved cunt lips too.

And if I was going to get more up and angling myself to take him deep, legs bent so my heels were brushing the backs of his thighs. After about a minute he stopped, pulling himself up. Then he withdrew, giving my mound a rub with his wet cock head. He got me to roll over onto my front, pulled my arse up in the air and started fucking me doggy-style. If I thought it had been pleasurable before, I certainly hadn’t anticipated been done from behind!

This time he paced himself, screwing me slower and more teasingly. Every few strokes he’d pull out and rub his helmet against me once more, maybe on my clit or nudging it up to my arsehole, each sensation frustrating but massively horny. Finally, I couldn’t take any more teasing. As he pulled out, I reached back, curling my hand

Lucky fucker

hardcore, so was he. He wet a finger in my juices and started to circle it round my arsehole. I'd taken quite a lot of cock up there in my time, but he could feel for himself it was as tight as ever. A few minutes later, he was finger-fucking it, matching the strokes of his cock. It felt heavenly; I closed my eyes so I could appreciate every sensation that was coursing through my whole body.

Then, suddenly, he pulled his hand away again, so he could use it to grasp my hip, bracing himself as he fucked my pussy harder. I wanted to cum around his dick, but just as I was on the edge of it, he pulled out, my juices running out down my legs. I hadn't felt him cum, and looking back I saw his prick was even harder than before, dark red and shining with my juices.

George wanked slowly to keep himself going, his other hand fiddling with my cunt, bringing me to a screaming climax. Then he had me turn around, to finish him off with my mouth. Most of my juices had rubbed off on his hand, but I could still taste my warm, sexed-up pussy. I started off by licking his balls, then tongued up along his shaft, saving the tip of his cock till last. I swirled the salty moisture around his bulb with my tongue, then finally sucked him into my mouth.

He moved his hips, fucking in and out, letting me decide how deep to suck him. Now I showed him my favourite trick, taking him down my throat for a couple of seconds, rubbing his balls up against my chin then letting him slide back out again. His pubes were damp from my juices as I buried my nose in them.

That was it – I felt his prick twitch as I took him in deep, so I closed my mouth tight around it and pulled back slowly, cradling the head of it on my tongue as he started cumming. I opened my mouth, letting him slip out until all that was connecting us was a sticky white string between his cock-tip and my tongue. He used his helmet to smear his spunk all over my lips, then I took the rest of his load all over my tits.

Our fuck-session lasted a couple of hours beyond that, George screwing my arsehole just to complete the set. As he dressed again before leaving I just lay there, breathing in the scent of sex in the room. At times I think I need to play it safer, worried that I'll get caught messing around. But as long as sex with a stranger is this good, maybe Ill wait until after my next chatroom visit!

CHLOE

Chloe may look innocent, but she's guilty of making our cocks hard. "I've been having an affair with a married man – it's very exciting! His wife nearly caught us last week when she turned up by coincidence in the bar of the hotel we were staying in. I've never been so breathless, scared and horny all at the same time as we ran into the lift. He tore my panties aside and fucked me furiously as we travelled back to the fifth floor!"

TRUE CON

HOLLIE HAS MORE FUN THAN SHE EXPECTS DRESSING UP ON A DIRTY WEEKEND

A few weeks ago, I finally reached the grand old age of 21!

My boyfriend Saul and I have been going out with each other for well over a year now, so I was looking forward to getting a nice present – and had been dropping hints about a jacket I'd seen for ages! We were going down to stay in Brighton for the night, and we'd arranged for him to come and pick me up from my place. I was pleasantly surprised to be handed a beautiful bouquet of roses upon his arrival, as well as a neatly wrapped gift, which appeared to be some sort of clothing. He'd got me the jacket!

However, when I tore off the wrapping paper, my heart sank to see a nylon nurse's outfit, complete with plastic stethoscope and hanky-like hat, with a cheap red cross stuck on it. Annoyed doesn't quite cover how I felt! Needless to say, the flowers ended up on the bin and the trip was very nearly cancelled. Fortunately for him, he's pretty good at winning me over, and two hours later we were off to Brighton – complete with the nurse's outfit.

I have to admit that I found the whole idea of pretending to be somebody else faintly ridiculous, and I felt particularly self-conscious about it. However, when we got to the hotel, Saul jumped straight in the shower while I fixed myself a strong gin and tonic from the mini-bar, and I felt myself begin to relax. Deciding that this was supposed to be a dirty weekend away, I swallowed my inhibitions, and tried the nurse's outfit on, just for the hell of it. I always wear stockings on a daily basis, so my underwear was naturally suited to the look, and once I had slipped the thin material over my head, I contemplated myself in the mirror.

The dress was so short that it just skirted my arse, so you could see the straps of my suspender belt disappearing underneath it. It was pretty tight round my tits, and, when I leant forward, it was cut just low enough to give a good eyeful. Looking at myself in the mirror I actually thought I looked pretty sexy, if a little silly. Focussing on trying to look hot, I didn't hear the bathroom door open and got the shock of my life when I turned around, to find Saul standing there, grinning. His skin was glistening wet from the shower and his

"I SAW HIS COCK-GEYSER SPURT ALL OVER MY ARSE"

FESSIONS

cock was standing to attention.

Ignoring his nakedness, I asked as casually as I could, "Yes? Is there anything I can help you with?" Saul grinned. "Well, Nurse, I seem to have a swelling that just won't go down," he said cheekily, completely straight-faced. I smiled, "Well, you'd better lie down on the bed, Sir, so I can examine you…" I was starting to feel a little more confident, beginning to enjoy myself now, the anonymity of the outfit making me feel more inhibited than usual.

Sauntering over to the bed, I leant over him, pretending to adjust the pillow, but really giving him a close-up view of my full breasts under the white uniform. I then turned and bent down, as if to pick something up off the floor, knowing that he'd be getting a great view of my thong disappearing up my crack.

"Right," I said, climbing sexily on the bed and straddling him, "Let's see what we can do about this swelling, then." Taking his prick in my hands, he moaned softly, getting louder as I began to rub up and down. I waited a few seconds before leaning forward to take his length in my mouth. Licking the whole shaft, I made sure that my hands were busy squeezing and caressing his shaven balls.

It felt great to have my boyfriend completely at my mercy, letting me do whatever I liked to him. I really wanted to fuck him, but first I moved up the bed and pushed my fanny in his face, so he could lick my clit through my knickers. My nipples were so hard I couldn't resist squeezing them while Saul's tongue probed my hot little pussy. As I felt the tingling sensation throughout my body, the desire for his dick got a bit too much for me – and I've never been known for my patience!

I clambered off the bed and slowly peeled my knickers off, stripper-style, for Saul's benefit, and drawled, "So, do you know what really naughty nurses like to do?" Straddling him, I continued, "Fuck their patients' big, hard cocks, that's what!" I forced myself down onto his rigid shaft, my juices quickly spreading all over him.

His hands were everywhere, feeling my stockings and up over my arse, his fingers slipping into that hole as well. I glanced over my shoulder at the mirror, so that I could see myself in my nurse's outfit, my stocking-clad legs spread out over Saul's fit body, his huge prick occasionally visible as I bounced up and down on it. The sight of us shagging sent me over the edge and I started to climax; I slammed myself down on to him even harder, feeling waves of intense pleasure shoot through my clit and up my body, causing me to shudder. My pussy muscles clamped around Saul's fat cock as I reached the peak of my orgasm, then released again as I came down, shaking and breathing hard.

Once I'd caught my breath I climbed off, wanting to taste my juices from his straining dick. I can't remember it ever being as rock-hard as this before. I ran my tongue up and down his sticky member, taking as much of it as I could in my mouth and swirling my tongue round the head. He pushed my head off and started to wank himself off, so I sucked hard on his balls, paying attention to each one in turn and driving him wild in the process. I love to see a man pleasuring himself, but I had a huge urge to feel his handsome prick fucking me again. I know I'm a greedy cow! Saul, though, had other ideas, and had decided it was his turn to take control.

He grabbed my hips when he felt me begin to move off him, and ordered, "Look in the mirror!" As I turned my head to face our reflection, he lifted me up off him, so that I could see his cock-geyser spurt up all over my arse and splash everywhere, making a real gooey mess over us both.

Unsurprisingly, Saul completely changed my mind about dressing up for sex, and we now regularly role-play. In fact, I bought a teacher outfit the other day and am planning to surprise Saul later tonight!

ANNIE

If Annie (19) looks the picture of friskiness, it's because she had a damn good spanking before she came to shoot for us. "My boyfriend heard I was going in Razzle so he pulled my panties down and tanned my bum with his hand for being a naughty slut!" These pics show she's living up to that reputation…

Toy Stories: Boys Not Included

Released by: Harmony Films
Starring: Megan Coxxx, Rio Lee, Rebecca More, Hannah Shaw, Lexi Ward

BEST BITS: The opener sees breathtaking beauty Megan Coxxx in the bath covered in bubbles, which is always a good start, and immediately incorporates a spot of voyeurism in the shape of the equally succulent Rebecca More. With the ensuing romp including a chin dildo, butt plug and a DP using a double-ender, the action is pretty awesome and full-on. Despite the unconvincing 'goth girls' get-ups, Hannah Shaw and Lexi Ward's tryst is scorching, with both girls going at it hammer and tongs. Probably the hottest scene in the movie, it features the kinkiest of sex and best dirty talking, to boot!

WORST BITS: The second scene on the disc is definitely the weakest. The lighting is dodgy, as is the camera-work, and the usually on-point Rio Lee's (*top left*) performance is somewhat lacklustre. In fact, the only good thing about the scene is the delectable Karina Currie (*bottom left*), who just seems to get better, and more attractive, the longer she fucks on film. The last scene, starring Holly Kiss and Valentina Cruz, is also a disappointment with its disjointedness. Why the girls begin lathering up in the shower and bath, respectively, before suddenly being transported – dressed, with full hair and make-up done – into a random living room to fuck is beyond us. Random.

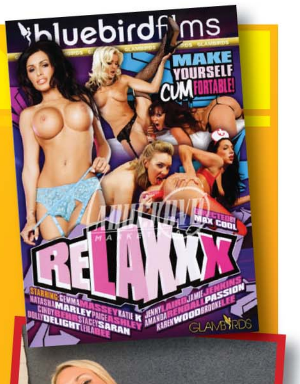
Relaxxx



Released by: Bluebird Films
Starring: Katie K, Paige Ashley, Dolly Delight (*both below right*), Brooke Lee, Natasha Marley, Gemma Massey, Jenny Laird, Cindy Behr, Amanda Rendall, Leila Bee

BEST BITS: Bluebird have very sensibly put the best scene first on the disc, instantly pulling you in to a world of gorgeous, gagging-for-it glambirds. The genius foursome of Natasha Marley, Amanda Rendall, Brooke Lee (*left*) and Leila Bee – aka Jada Gold to *Razzle* readers – has everything you could ask for in a lesbo flick (except perhaps a strap-on, or two). Nice to see the girls laughing and genuinely enjoying themselves, as well as each giving and receiving a good fuck! The other foursome in the film features the captivating Katie K and Jenny Laird ploughing each other's pussies. Add Jamie Jenkins and Passion into the mix and the result is truly deserving of a wank or three.

WORST BITS: Although the location of the third outdoor scene is fantastic, there's a disappointing lack of chemistry between Cindy Behr and Karen Wood.

DVD FEATURES: Cumshot recap, photo gallery.

OOOAAR!

Tides Of Lust

VivThomas
TIDES OF LUST

Released by: Viv Thomas (Girlfriends Films)
Starring: Eve Angel, Jo, Viktoria Diamond, Lana, Nicole Smith

BEST BITS: Five scenes featuring exactly what we've come to expect from the king of lesbian porn, Viv Thomas: high-budget film of the sexiest girls having the hottest sex in beautiful locations, with stylish lighting, camerawork and angles. Leading ladies – and Viv Thomas faves – Jo and Eve Angel shine in their scene, the chemistry and familiarity is obvious between the two and makes for an intimate and sensual romp. This is the best we've seen out of the gorgeous pairing to date. The only other indoor shag sees relative newcomers Nicole Smith and Lana getting it on, rimming and pussy-eating with aplomb. Yum.

4/5

WORST BITS: Although the storyline is enjoyable, a lot of the acting is wooden. The fact that some of the girls speak very limited English (hence the occasional subtitles!) doesn't help the poor things much. One last niggle: during Jo and Nicole's outdoor tryst, it would have been nice if VLT had seen fit to edit out the ducks – the constant, background quacking put us right off our stroke.

DVD FEATURES: Trailers and website info.

PUSSY GALORE II
Directed by GAZZMAN

Released by: Harmony Films
Starring: Shay Hendrix, Hannah Shaw (*bottom left*), Samantha Bentley, Franki, Jess West, Kloe Kane, Sophia Knight

BEST BITS: *Pussy Galore 2* boasts a stunning threesome between sexy Shay Hendrix, stunning Sophia Knight and Samantha Bentley, with fingers and tongues disappearing into every hole. Sam stands out again in the third scene with brunette Franki – the chemistry between the two is immediately apparent and the rampant dildo action – both anally and vaginally – makes this scene the best. We should also mention the three-way with Hannah Shaw (*left*), Jess West and Kloe Kane, which is well worth a wank, if only for the strap-on fucking.

WORST BITS: The whole movie may be shot in a gorgeous Scottish castle, but the locations chosen are uninspiring.

DVD FEATURES: Photo gallery and trailers.
